We hope everyone enjoyed the Holiday Season. As for the family, we celebrated a wonderful family Thanksgiving at Michael and Kristy's house. We had the traditional feast of turkey with all the "belt loosening" trimmings. Grandpa Mike's parents hosted our family Christmas. A good time was had by all. Michael and Tracy received the much anticipated Kindle Fire. They were as excited as the children. As for the children, Jeremiah loves his new skateboard. Isaac got a wooden fire truck which had to be put together. With the help of Grandpa Mike, Jeremiah, Logan and of course Isaac put the truck together in no time and it was quickly put to work. Jason and Mackenzie, being the typical teenagers, received the cell phones. Grandma Julie is enjoying the thoughtfulness of her husband's gift of his painting and re-carpeting the house.

Jeremiah and Grandma Julie both lost a tooth. However, the tooth fairy only came to get Jeremiah's tooth. He soon after lost a second tooth.

Isaac has gotten the gift of speech from a special machine the school has given to him. He is learning how to use the machine and enjoying the fact that now he can communicate with everyone.

Congratulations to Michael and Kristy for celebrating their 6th year anniversary on January 7th. Our best wishes go out to the happy couple.

We would like to welcome Billie to our Quilt Bugs family. She started working here in October. Tracy is enjoying the busy life of a full time quilter on all the beautiful quilts brought into the shop to be quilted on the long arm. She says thank you all for bringing them in and please keep them coming. We have some great new classes, fun new fabrics and the prized "GO" cutting machine.

We look forward to seeing you soon and wish each and everyone a loving, kind and prosperous New Year.

*Happy Quilting,
Julie Phares!*
